

1. Record Nr.	UNINA9910451813703321
Titolo	Review of the accomplishments and plans of the NOAA Coastal Ocean Program (1994) [[electronic resource] /] / Panel on the NOAA Coastal Ocean Program, Ocean Studies Board, Commission on Geosciences, Environment, and Resources, National Research Council
Pubbl/distr/stampa	Washington, D.C., : National Academy Press, 1994
Descrizione fisica	1 online resource (124 p.)
Disciplina	577.51
Soggetti	Ecosystem management - United States Fisheries - Environmental aspects - United States Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes biographies of Panel members.
