Sommario/riassunto	Sarah B. Pralle takes an in-depth look at why some environmental conflicts expand to attract a lot of attention and participation, while others generate little interest or action. Branching Out, Digging In examines the expansion and containment of political conflict around forest policies in the United States and Canada. Late in 1993 citizens from around the world mobilized on behalf of saving old-growth forests in Clayoquot Sound. Yet, at the same time only a very few took note of an even larger reserve of public land at risk in northern California. Both cases, the Clayoquot Sound controversy
