Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	The enigma and the solution -- The eighteenth and nineteenth centuries -- The bottom line: avoiding the same old same old.
Sommario/riassunto	This book offers information to everyone who is thinking about the position of Jews in today's world and in history. Throughout most of the Common Era there were two groups of Jews in the world: those who were visible and counted within the community, and those who ""traveled under the radar"". The book is about where they were, why they suddenly reappeared, and what lessons can be learned from their hidden identity and their reappearance. The author also examines contemporary Jews' own varying views of Jewishness and discusses what it means to be a Jew today.
