The Leading Men and Women; 6. Worried in Body and Vexed in Heart; 7. What Will Become of Us!; Epilogue; Notes; Bibliography; Index;
Sommario/riassunto	Many early-19th-century slaveholders considered themselves "masters"; not only over slaves, but also over the institutions of marriage and family. This privilege was generally reserved for white males. But as many as one in ten slaveholders was a widow, and as this book demonstrates, slaveholding widows developed their own version of mastery.
