Dimensions of Variation; Part II. Variations across Party Families; Part III. Comprehensive Analyses; References; Index
Sommario/riassunto	This book contributes to a better understanding of relations between social and political change, and the importance of institutional factors in shaping the political elites of European democracies. It helps to substantiate theoretical debates in the social and political sciences on issues such as historical institutionalism and path dependency. - ; Democratic Representation in Europe: Diversity, Change and convergence explores representation as a core element of democracies in the modern era. Over the past 150 years parliamentary representation has developed into a main link between polity and
