Sommario/riassunto	First published in 1960, ""Kings and Camels"" is a straightforward account of how an American went to work in Saudi Arabia and came home to America to realize how little the average American appreciated the strategic importance of the area and, more crucially still, how little he understood the people in the area. Butler presents his material in the form of an informal account of his personal experiences in the Middle East, both while he lived there, working for the Arabian American Oil Company (ARAMCO), and as a successful lecturer and writer who has returned to the area often. The book goes b
