Sommario/riassunto	In a period scarred by apprehensions of revolution, war, invasion, poverty, and disease, elite members of society lived in constant fear of what they thought of as the 'mad, bad, and dangerous people'. Boyd

Hilton examines the changes in politics and society in the years 1783-1846, and how the raffish and rakish style of eighteenth-century society, having reached a peak in the Regency, then succumbed to the new norms of respectability popularly known as 'Victorianism'. - ;This was a transformative period in English history. In 1783 the country was at one of the lowest points in its fortunes, h
