Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	Introduction: The Internet theologian speaks -- Everything you need to know about Christianity, minus the boring parts -- What job can teach us about dating high school girls, or Bible translations Wycliffe never intended -- Deck the halls with lawsuits -- Number one song in heaven -- A field guide to the major North American Jesuses -- A way, the truthiness, and the lifestyle -- Applying the hypostatic union to a winning zone defense -- Page-turners of the last days -- Conclusion: The further adventures of Jesus.
Sommario/riassunto	The book presents a humorous look at contemporary Christianity through the skewed lens of the Internet Theologian, a pompous, absurdly self-important pundit whose confidence in his pronouncements is perhaps matched only by his utter lack of basic information about his subject matter. Believing that the only thing a real theologian needs is a cable modem, the Internet Theologian touches on Christianity's relationship with music, sports, best-selling novels, and holidays, among others. The book also includes a handy field guide to the various ways Americans interpret Jesus.
