Sommario/riassunto	A guide to expanding any psychotherapy practice, this book provides therapists with essential information for helping clients manage the process of divorce with minimal damage to their kids, themselves, and their finances. The author is a prominent divorce mediator who shows how to guide individuals and couples to make sound choices at each step of the divorce process. He clearly explains the legal and practical aspects of divorce, and discusses how legal and emotional processes interact. Topics include helping clients choose the right lawyer or mediator, collabor
