Sommario/riassunto	The overwhelming occurrence of domestic violence in our society makes it more than likely there are-or will soon be-victims in your workplace. This timely book will help you recognize, respond to and prevent domestic violence and reduce your direct liability as an employer. Written by a domestic violence specialist, the book's 10 chapters provide valuable insight into the complexities of dealing with domestic violence in business. It is recommended reading for human resource professionals, managers, and business owners who want to prevent an incident through policy and program development or b
