Sommario/riassunto	The overwhelming occurrence of domestic violence in our society makes it more than likely there are-or will soon be-victims in your workplace. This timely book will help you recognize, respond to and prevent domestic violence and reduce your direct liability as an employer. Written by a domestic violence specialist, the book's 10 chapters provide valuable insight into the complexities of dealing with domestic violence in business. It is recommended reading for human resource professionals, managers, and business owners who want to prevent an incident through policy and program development or b

Sommario/riassunto

"[This book] is a unique reference source that discusses the value that nonviolent spaces can add to educational institutions and societies. Featuring extensive coverage on relevant topics including conflict skills, intersectional dialogue, mentoring, co-existence, and police brutality, this is an outstanding resource of academic material for educators, academicians, graduate students, and researchers seeking to expand their knowledge on nonviolent methods and techniques for educational environments"--Provided by publisher.
