Sommario/riassunto	Although every day we read news reports linking health problems to diet and lifestyle, there remains a dearth of books on the topic that consider obesity from a variety of standpoints that include medical, personal, financial, and related considerations. The Obesity Reality discusses these viewpoints to explain how and why the problem exists both in the United States and around the world, and in men, women, children. More than a billion people are overweight

2. Record Nr.	UNINA9910557239303321
Autore	Rifkind Joseph M
