Sommario/riassunto	This book is aimed at researchers and students at graduate and post-graduate level in the field of economics and international trade. The book is written against the backdrop of sluggish progress of multilateral trade negotiations under the framework of the World Trade Organization (WTO) regime which has provided impetus to the signing of regional/bilateral trade agreements the world over. This book examines the prospects and impact of regional economic cooperation in the South Asia region using various approaches; and focuses specifically on the South Asian Free Trade Agreement (SAFTA).
