Sommario/riassunto	One of the main strengths of the book is the diversity of voices it makes available through quotation, allusion and cross-reference, which in itself is a vital contribution to existing representations of the sheer

wealth of postcolonial poetry in English. - The Times Higher Education Supplement;...a gem that should be available for both undergraduate and postgraduate students in every university library...Patke's exceptional writing style and his adept handling of such a vast body of information secures it as a very useful research and teaching text. - Review Newsletter;The first books in this
