Sommario/riassunto	Using an innovative blend of political theory, international law, and studies on the sociological and geo-political foundations of minority rights, this landmark publication will set the debate on the likely future of the international politics of diversity. - ;We are currently witnessing the global diffusion of multiculturalism, both as a political discourse and as a set of international legal norms. States today are under increasing international scrutiny regarding their treatment of ethnocultural groups, and are expected to meet evolving international standards regarding the rights of indig
