Sommario/riassunto	Alain Badiou is one of the world's most influential living philosophers. Few contemporary thinkers display his breadth of argument and reference, or his ability to intervene in debates critical to both analytic and continental philosophy. Alain Badiou: Key Concepts presents an overview of and introduction to the full range of Badiou's thinking. Essays focus on the foundations of Badiou's thought, his ""key concepts"" - truth, being, ontology, the subject, and conditions - and on his engagement with a range of thinkers central to his philosophy,

including Plato, Descartes, Spinoza, Heidegger an
