| Sommario/riassunto      | Midway, the most famous naval battle in American history, has been the subject of many excellent books. However, none satisfactorily explain why the Japanese lost that battle, given their overwhelming advantage in firepower. While no book may ever silence debate on the subject, Midway Inquest answers the central mystery of the battle. Why could the Japanese not get a bomber strike launched against the American carrier force before being attacked and destroyed by American dive bombers from the Enterprise  |
