Sommario/riassunto	This edited volume presents Alternative Voices in the contexts of present-day and historical globalisation, the emergence of the knowledge society, increased global-local or glocal migration flows, the explosion of social media, and disparate regional growth that have both impacted and shaped the sociocultural fabric of geopolitical spaces across the world. The volume builds upon twenty-seven contributions that focus upon issues related to language, culture and

identity from a multidisciplinary nexus of historical, philosophical and empirically-based traditions. Positioned in post-colonial emi
