Sommario/riassunto

Islamic Globalization examines the Muslim world's growing importance in creating a more inclusive international system that is increasingly multipolar and multicultural. The author describes an emerging pattern of Islamic globalization as a series of transformations in four interrelated areas - pilgrimage and religious travel, capitalism and Islamic finance, democracy and Islamic modernism, and diplomacy and great power politics. The book integrates the disciplines of religion, politics, economics, law, and international relations highlighting developments in the Middle East, South Asia, South
