Sommario/riassunto

Keep your cultural resources safe for generations to come! Culled from papers presented at a Library of Congress symposium in October 2000, *The Strategic Stewardship of Cultural Resources: To Preserve and Protect* examines the challenges you face in preserving and safeguarding your library's resources. Twenty-two leading library and archival professionals address critical issues on the preservation and security of collections in cultural property institutions, including libraries, museums, and archives. The book explores the connections between physical security and the preservation of
