Sommario/riassunto	An increasing number of international trade disputes are settled through the WTO dispute settlement (DS) procedure. In parallel, an increasing number of international investment disputes are settled through investor-host state arbitration procedure. What does ""transparency"" mean in the context of international trade and investment dispute settlement? Why is enhanced transparency demanded? To what extent and in what manner should these dispute settlement procedures be transparent? The book addresses these issues of securing transparency in international trade and investment dispute settlem
