	Sommario/riassunto	Crossing Boundaries: Ethnicity, Race, and National Belonging in a Transnational World, edited by Brian D. Behnken and Simon Wendt, explores ethnic and racial nationalism within a transnational and transcultural framework in the long twentieth-century (late nineteenth

to early twenty-first century). The themes of this study include race, ethnicity, nationalism, transnationalism, and transculturalism. Scholars and laypeople interested in national development, ethnic nationalism as well as world history will find this volume of great val
