| Sommario/riassunto | When did Scots first think of Scotland as an independent kingdom? What did they think was Scotland's place in Britain before the age of |

Wallace and Bruce? The answers argued in this book offer a fresh perspective on the question of Scotland's relationship with Britain. It challenges the standard concept of the Scots as an ancient nation whose British identity only emerged in the early modern era, but also provides new evidence that the idea of Scotland as an independent kingdom was older than the age of Wallace and Bruce. This leads to radical reassessments of a range of fundamental issues: th

| Nota di contenuto | pt. 2. Clinical cases -- pt. 3. Investigating and dealing with errors. |
| Sommario/riassunto | Some of the most important and best lessons in a doctor's career are learnt from mistakes. However, an awareness of the common causes of medical errors and developing positive behaviours can reduce the risk of mistakes and litigation. Written for junior medical staff and consultants, and unlike any other clinical management title available, Avoiding Errors in Adult Medicine identifies and explains the most |

common errors likely to occur in an adult medicine setting - so that you won't make them. The first section in this brand new guide discusses the causes of
