| Sommario/riassunto      | The concept 'peaceful development' has become the new thinking in  |

Chinese foreign policy under the fourth-generation leadership. But what are the new dimensions of Chinese foreign policy and how do they impact China's foreign relations? This is the first edited volume that attempts to address this significant question, and its insightful contributions will enrich understanding of new dimensions of Chinese foreign policy and their implications for China's relations with the world.
