Sommario/riassunto	Homosexuality and the European Court of Human Rights?is the first book-length study of the Court's jurisprudence in respect of sexual orientation. It offers a socio-legal analysis of the substantial number of decisions and judgments of the Strasbourg organs on the wide range of complaints brought by gay men and lesbians under the European Convention on Human Rights. Providing a systematic analysis of Strasbourg case law since 1955 and examining decades of decisions

that have hitherto remained obscure, the book considers the evolution of the Court's interpretation of the Conv
