Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	This title provides an account of how young people in Ghana's capital city adopt and adapt digital technology in the margins of the global economy. The book captures the flexibility of technology by users in the margins but also highlights how their invisibility puts limits on their full inclusion into a global network society.
