Sommario/riassunto	2005 marks the centenary of Russia's 'first revolution' - an unplanned, spontaneous rejection of Tsarist rule that was a response to the 'Bloody Sunday' massacre of 9th January 1905. A wave of strikes, urban uprisings, peasant revolts, national revolutions and mutinies swept

across the Russian Empire, and it proved a crucial turning point in the demise of the autocracy and the rise of a revolutionary socialism that would shape Russia, Europe and the international system for the rest of the twentieth century. The centenary of the Revolution has prompted scholars to review an
