Sommario/riassunto	Psychoanalysis Online: Mental Health, Teletherapy and Training, edited by Jill Savege Scharff, MD, is an international collaboration by psychotherapists and psychoanalysts who consider the impact of virtual reality on our society and the uses of communications technology for analytic treatment and professional training. Having examined the impact of communications technology on mental health and relationships, the authors explore its use in analytical treatment conducted on the telephone and over the internet, and review its problems and possibilities. They provide a multi-faceted view of it,
