Sommario/riassunto	Far reaching macro-economic and structural reforms combined with increases in government spending have been the primary drivers of Tanzania's growth acceleration. As growth in government spending slows, the locomotive for growth will need to shift to increased demand for exports and domestically produced goods, requiring Tanzania to strengthen substantially its international competitiveness, accelerate structural change, and safeguard the environment while maintaining macroeconomic stability. For Tanzania's poor to be able to participate and benefit from important growth, a greater focus on ru

Sommario/riassunto	During a time of rapid change in the American Jewish community, an outstanding group of Jewish scholars and professionals address the critical problems and future prospects of American Jewry. They discuss the sharp controversies over feminism and religious language, new data on the relationship between Israelis and American Jews, and the interaction between family and synagogue. The wide scope of topics

provides an understanding of the dynamics shaping the lives of American Jews and their diverse views of the future.
