Nota di contenuto	Music as intimate and social, private and public -- Feeling and flourishing -- Love and sex -- Sociability and place -- Commonality and cosmopolitanism.
Sommario/riassunto	In what ways might music enrich the lives of people and of societies? What prevents it from doing so? Why Music Matters explores the role of music in our lives, and investigates the social and political significance of music in modern societies. First book of its kind to explore music through a variety of theories and approaches and unite these theories using one authoritative voice. Combines a broad yet theoretically sophisticated approach to music and society with real clarity and accessibility. A historically and sociologically informed understanding of music.
