Sommario/riassunto	Build and maintain an effective electronic reserve system! Electronic Reserve: A Manual and Guide for Library Staff Members is the comprehensive professional resource you need to create commonsense policies and procedures that ensure effective electronic reserve service in your academic library. This hands-on, how-to guide walks you through the start-up process for implementing an electronic reserve system, presenting general guidelines and practices for designing and staffing your library. The book also examines fair use of copyrighted materials, explaining complex legal issues in lan
