Sommario/riassunto	This updated, expanded edition of Where the Domino Fell recounts the history of American involvement in Vietnam from the end of World War II, clarifying the political aims, military strategy, and social and economic factors that contributed to the participants' actions. Revised and updated to include an examination of Vietnam through the point of view of the soldiers themselves, and brings the story up to the present day through a look at how the war has been memorializedA final chapter examines Vietnam through the lens of Oliver Stone's films and opens up a discu
