Nota di bibliografia	Includes bibliographical references (p. 337-353) and index.
Nota di contenuto	pt. I. Introducing strategic environmental assessment -- pt. II. The SEA process -- pt. III. Ensuring SEA effectiveness.
Sommario/riassunto	This practical guide, written by a practitioner for practitioners, presents a coherent and straightforward 'how-to-do-it' approach to the strategic environmental assessment (SEA) process. Part one provides an overview of the aims, principles, advantages and problems of SEA as well as looking at key SEA regulations and their requirements. Part two examines the SEA process in considerable detail including setting the policy context, describing the baseline, identifying alternatives, predicting and evaluating impacts and using the SEA information in decision-making. Part three is devoted to as
