### Sommario/riassunto

Roman Letters offers a rich selection of original translations of ancient Roman letters spanning from the 1st century BCE to the 2nd century CE. Chronologically arranged and grouped according to author or collection, the letters cover various topics and themes selected from a broad range of authors. A unique single volume text that makes classical letters accessible and readable to undergraduates and the non-specialist reader  
Presents a wide range of authors and material, with over 200 selected texts  
Includes selections that illustrate
