Sommario/riassunto	Cyprus Historical and Contemporary StudiesSince the onset of Ottoman rule, but more especially from the mid-18th Century, the archbishops of the autocephalous Cypriot Orthodox Church have wielded a great deal of political power. Most people of a certain age will remember the bearded monk who became a Greek nationalist politician and the first President of the Republic of Cyprus in 1960, Archbishop Makarios III. Indeed his presence at Madame Tussaud's is a reminder of his stature. But were all Cypriot archbishops such political and powerful Greek nationalists? This study is unique in its explor
