

1. Record Nr.	UNINA9910452669203321
Autore	Lapinski John S. <1967->
Titolo	The substance of representation [[electronic resource]] : Congress, American political development, and lawmaking // John S. Lapinski
Pubbl/distr/stampa	Princeton, : Princeton University Press, 2013
ISBN	0-691-13782-X 1-4008-4863-6
Edizione	[Course Book]
Descrizione fisica	1 online resource (196 p.)
Collana	Princeton studies in American politics : historical, international, and comparative perspectives
Disciplina	328.73
Soggetti	Legislation - United States Electronic books. United States Politics and government
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Frontmatter -- Contents -- Preface -- Chapter I. Policy Issue Substance and the Revitalization of Legislative Studies -- Chapter II. Bringing Policy Issue Substance Back In -- Chapter III. Political Polarization and Issues: A New Perspective -- Chapter IV. The Case Studies: Policy Issue Substance and the Political Behavior of Members of Congress (with David Bateman) -- Chapter V. Legislative Accomplishment and Policy Issue Substance -- Chapter VI. Explaining Lawmaking in the United States, 1877-1994 -- Chapter VII. At the Crossroads: Policy Issue Substance, Congress, and American Political Development -- Bibliography -- Index -- Backmatter
Sommario/riassunto	Lawmaking is crucial to American democracy because it completely defines and regulates the public life of the nation. Yet despite its importance, political scientists spend very little time studying the direct impact that the politics surrounding a particular issue has on lawmaking. The Substance of Representation draws on a vast range of historical and empirical data to better understand how lawmaking works across different policy areas. Specifically, John Lapinski introduces a theoretically grounded method for parsing policy issues into categories, and he shows how policymaking varies in predictable ways based on the specific issue area being addressed. Lapinski

examines the ways in which key factors that influence policymaking matter for certain types of policy issues, and he includes an exhaustive look at how elite political polarization shifts across these areas. He considers how Congress behaves according to the policy issue at hand, and how particular areas--such as war, sovereignty issues, and immigration reform--change legislative performance. Relying on records of all Congressional votes since Reconstruction and analyzing voting patterns across policy areas from the late nineteenth to late twentieth centuries, Lapinski provides a comprehensive historical perspective on lawmaking in order to shed light on current practices. Giving a clear picture of Congressional behavior in the policymaking process over time, *The Substance of Representation* provides insights into the critical role of American lawmaking.
