   Sommario/riassunto This text features top-to-bottom coverage of the top-selling Microsoft
                      Office application. From document design to creating master
                      documents to applying security to collaborating in the Cloud, you'll
                      learn not just how to do tasks, but the best ways to do them, and why.
