Sommario/riassunto	Everyone knows that work in America is not what it used to be. Layoffs, outsourcing, contingent work, disappearing career ladders-these are the new workplace realities for an increasing number of people. But why? In <i>The Temp Economy</i> , Erin Hatton takes one of the best-known icons of the new economy-the temp industry-and finds that it is more than just a symbol of this degradation of work. The temp industry itself played an active role in this decline-and not just for temps. Industry leaders started by inventing the ""Kelly Girl,"" exploiting 1950's gender stereotypes to justify

2. Record Nr.	UNINA9910459685703321

Finale to the Hong Kong-style Cultural Revolution10. Impact of the 1967 riots; 11. Recollection and reflections by key players in the disturbances; Appendices; Notes; Bibliography; Index
Sommario/riassunto	Hong Kong's Watershed: The 1967 Riots is the first English book that provides an account and critical analysis of the disturbances based on declassified files from the British government and recollection by key players during the events. The interviews with the participants, including Jack Cater, Liang Shangyuan, George Walden, Tsang Tak-sing, Tsang Yok-sing, and Hong Kong government officials, left

irreplaceable records of oral history on the political upheaval. --The book analyses the causes and repercussions of the 1967 riots which are widely seen as a watershed of postwar history of Hong K
