Sommario/riassunto	Hollywood cinema and Los Angeles cannot be understood apart. Hollywood Cinema and the Real Los Angeles traces the interaction of the real city, its movie business, and filmed image, focusing on the crucial period from the construction of the first studios in the 1910's to the decline of the studio system fifty years later. As Los Angeles gradually became one of the ten largest cities in the world, the film industry made key contributions to its rapid growth and frequent crises in economic, social, political and cultural life. Whether filmmakers engaged with the real city o
