Sommario/riassunto

This is the report of two linked research projects: the SSRC Project on Problems and Effects of Teaching about Race Relations, and the Calouste Gulbenkian Foundation Project on Teaching About Race Relations through Drama. Its aim is to help teachers who will face race as a theme, whether it arises in the normal course of their subject teaching or is introduced as a separate topic. The project worked with three groups of teachers, each of which adopted a different approach, and the results of the testing programme are given alongside a series of case studies of classroom teaching. The
