Sommario/riassunto	This comprehensive history of Tunisia covers an essential period in the country's development, from the Arab conquest of the seventh century to the Jasmine Revolution and the fall of Ben Ali's regime in 2010. Tunisia since the Arab Conquest describes the evolution of the Tunisian state, its place in the Mediterranean basin and its contacts with the civilizations of that region. Beginning with the Arab conquest of AD 648-669, Dr. Jacob Abadi analyses the crucial events that shaped the country's history in the dynastic age. He then goes on to discuss the impact of the Ottoman conquest and the
