Sommario/riassunto

Debating Security in Turkey: Challenges and Changes in the Twenty-First Century, edited by Ebru Canan-Sokullu, maps out Turkish security policy and politics entangling hard power and soft power dynamics, reflecting a multidimensional look at Turkey's changing security agenda, with internal and external challenges and opportunities at the outset of the twenty-first century. This essential collection produces a comprehensive research for academia and significant policy choices for the decision-makers at national, regional, and transatlantic
