| Sommario/riassunto | Abraham Lincoln is known as the Great Emancipator, yet his personal views on race have long been debated. Since his death, his legend has been shadowed by the mystery of his true stance toward non-whites. While Lincoln took many actions to fight slavery throughout his political career, his famously crafted speeches can be interpreted in different ways: at times his words suggest personal bigotry, but at other times he sounds like an enemy of racists. In Lincoln and Race, Richard Striner takes on one of the most sensitive subjects of Abraham Lincoln's legacy, exploring in depth |
