Sommario/riassunto	In July 2011, Sudan officially "became plural", as the country split in two; the unofficial north - south divide between the Arabdominated north and the more ethnically African south was formalised, after the people of Southern Sudan voted overwhelmingly to separate from the rest of the country. Becoming Plural is a beautifully illustrated travelogue containing over 100 unique photographs of Sudanese people and their lives, accompanied by a first-hand narrative of what life in Sudan was really like during this critical time in its history. Richard Boggs lived and worked among the Sudanese pe
