Sommario/riassunto	This study highlights the connections between power, cultural products, resistance, and the artistic strategies through which that resistance is voiced in the Middle East. Exploring cultural displays of dissent in the form of literary works, films, and music, the collection uses the concept of 'cultural resistance' to describe the way culture and cultural creations are used to resist or even change the dominant political, social, economic, and cultural discourses and structures either consciously or unconsciously. The contributors do not claim that these cultural products constitute organized
