Sommario/riassunto	This volume concentrates on different forms of honesty and dishonesty in management and their consequences for managers, firms and society. These issues are related to values and behavior patterns and thus, the basis of contemporary business. Honesty can be defined as the refusal to pretend that facts of reality are other than what they are while dishonesty - including lying, stealing, cheating, distortion, concealing of important information, failing to fulfill promises, and abruptly abandoning a business relationship - presents its opposite. Based on chapters about China, Japan, USA, Israel,
