Nota di contenuto	part I. Interpreting -- part II. Interpreting in healthcare settings -- part III. Healthcare specialties.
Sommario/riassunto	""Getting information off the internet is like taking a drink from a fire hydrant." (Mitchell Kapor, n.d.). Medical concepts and terminology can be very confusing for the uninitiated interpreter or translator. This book will allow interpreters and translators to quickly read up on healthcare settings, familiarizing themselves with anatomy, physiology, medical terminology and frequently encountered conditions, investigations and treatment options. Health translators working on medical reports will be able to find commonly used abbreviations. Those who have been asked to translate health informa
