Sommario/riassunto	The Mind's Ear offers a unique approach to stimulating the musical imagination and inspiring creativity, as well as providing detailed exercises aimed at improving the ability to read and imagine music in silence, in the "mind's ear." Modeling his exercises on those used in theater games and acting classes, and drawing upon years of experience with improvisation and composition, Bruce Adolphe has written a compelling, valuable, and practical guide to musical creativity that can benefit music students at all levels and help music teachers be more effective and inspiring. The book also provide
