Nonexperimental Designs and Causal Analyses of College Access,
Persistence, and Completion ; 11 Conclusions: Improving College
Access, Persistence, and Completion: Lessons Learned ; Contributor
Biographies; Index

Sommario/riassunto

<P>Despite decades of substantial investments by the federal government, state governments, colleges and universities, and private foundations, students from low-income families as well as racial and ethnic minority groups continue to have substantially lower levels of postsecondary educational attainment than individuals from other groups. </l>The State of College Access and Completion </l>draws together leading researchers nationwide to summarize the state of college access and success and to provide recommendations for how institutional leaders and policymakers can effectively improve the en
