Sommario/riassunto	In 1948 the United Nations passed the Genocide Convention. The international community was now obligated to prevent or halt what had hitherto, in Winston Churchill's words, been a "crime without a name", and to punish the perpetrators. Since then, however, genocide has recurred repeatedly. Millions of people have been murdered by sovereign nation states, confident in their ability to act with impunity within their own borders. Tracing the history of genocide since 1945,

and looking at a number of cases across continents and decades, this book discusses a range of critical and inter
